Message from the New Dean, Office of International Affairs

Prof. SHIM, Min Suk

Dear Partners,

Greetings. I am honored to introduce myself to the partners around the world. I am Professor Min Suk Shim (Dept. of Bioengineering), the newly appointed Dean of the Office of International Affairs (OIA).

I am excited to continue and enhance our collaboration efforts to foster global education, research, and cultural exchange.

I strongly believe we can continue to provide the students and faculty with enriching international experience.

Our partnership is highly valued and I look forward to working closely with you.

Thank you for your ongoing support.

2024 INU International Summer Program

From June 24 to July 11 (3 Weeks)

Incheon National University is running the 2024 International Summer Program during June and July for three weeks. INU welcomes 21 students from 4 different countries. It is designed to provide international students opportunities to learn about Korean Language and Culture.

We look forward to an exciting summer with students. Students can enjoy activities and field trips to enrich their experience in Korea.

Cultural programs include the Seoul and Incheon Tour, K-pop dance class and Taekwondo classes.

Korean Buddy students will help students adjust to INU

Celebrating the 25th Anniversary of Exchange with The University of Kitakyushu, Japan.

The 25th anniversary celebration of exchange was held on April 22nd at the University of Kitakyushu, Japan.

Dr. LEE In Jae, the Vice President, Dr. YI Keun Sang, the Dean of the College of Humanities, and Ms. SEO Sol, the Asian Outbound Program Coordinator visited

The University of Kitakyushu to celebrate the strong relationship between the two institutions.

Thank you for your ongoing support.

The event included a meeting with the presidents, an exhibition showcasing the history of the partnership, students' speeches, and performances, all organized by the host, the University of Kitakyushu.

Our delegation was greatly impressed by their hospitality.

INU Team Engages in the 2024 NAFSA Conference.

New Orleans, USA – Two members of the International office at Incheon National University, Ms. KIM Jungeun and Ms. SUNG Jeehee participated in the 2024 Annual NAFSA conference held in New Orleans from May 28 to May 31. They held numerous meetings with representatives from universities across the globe, actively engaging in constructive discussions about enhancing academic cooperation.

Our International Office will continue to strive to cultivate global leaders through various international exchange activities. INU plans to actively participate in such a global conference to expand its international exchange and create a global education environment.

2024 Fulbright AIEA visits INU on June 12th, 2024.

The 2024 Fulbright American International Education Administrators (AIEA) visited Incheon National University on June 12th, 2024. This visit marks an important event in fostering international educational cooperation and exchange. The AIEA program aims to expose U.S. administrators to the diverse educational systems abroad, facilitating mutual understanding and collaboration. During their visit, the Fulbright delegates discussed academic programs, student exchanges, and potential collaborative projects with their counterparts at Incheon National University. This visit underscores the ongoing commitment to international educational partnerships and the global exchange of knowledge.
